1. Name of event BI-CYCLE ASSEMBLY

2 Eligibility Criteria:

The contest is open for B.E/B. Tech and Polytechnic level students.

3 Introduction:

- a. Whether you are gearing up for Bike to school Month or wanting to reinforce safe riding behavior in your learning community, an assembly can be a fun and engaging way to introduce safe riding practices to current and future student riders.
- b. The task includes that, first assemble the bi cycle in proper way and then ride it on provided lap within minimum time.

4 Rules & Regulations:

- a. Time for bi-cycle assembly & testing is of 10 min, otherwise you will be disqualified.

- b. If any part remains unassembled then it will not be accepted while testing.
- c. All tools carefully submitted to the respective coordinator after assembly of bi-cycle.
- d. After assembly you have to take a lap on the track provided in the college campus.
- e. Unethical behavior could lead to disqualification. Faculty coordinators have all the rights to take the final decision for any matter during the event.
- f. Judge's decision will be considered final.
- g. Each team should contain a maximum 4 members.

5. Phase of Event:

- a. The team with minimum time reaches to the next round.
- b. The next round would include selected number of teams on the basis of their ranking decided in previous round.
