IGNITE-2023

Event Name: Treasure Hunt

Description of an Event:

Treasure hunt is an event which poses a series of questions on the paper as challenges to the participants. When the participant solves each and every question in the series, they will reach the final destination where there is a treasure.

Every question challenges the participant to find the hidden word from the given clue. The navigation through these questions would really become easy, when the participants finds the words quickly. This event also makes sure that the participant is en-thrilled throughout.

The first participant to finish all the questions in the shortest duration of time is announced as the winner of this event.
